A pencil sketch of a landscape. In the foreground, there is a large, spiky plant, possibly a yucca or agave, with several long, pointed leaves radiating from a central point. To the left of this plant, a small, dark figure is sitting on the ground, facing away from the viewer. To the right of the spiky plant, there is a small, rounded bush or shrub. In the background, there is a faint outline of a tree on the right side. The entire sketch is rendered in light pencil lines on a textured, slightly mottled paper. The background of the page is filled with faint, illegible text, which appears to be bleed-through from the reverse side.

Telephone Hour

One Boy

Will a group of teen-age girls go beserk when their rock 'n roll singing idle comes to their home town? That's just what happened on November 22 and 23, when Custer presented it's play, 'Bye Bye Birdie.' The play was an overwhelming success due to a talented cast, under the skilled direction of Miss Shirley Sherwood and her musical assistant Mrs. Jean Wirth

HONOR DAY

Custer's first Honor Banquet was held on May 8 in the school cafeteria. The speaker was Dr. William Lamers of the Milwaukee School Board, who is also an expert on the Civil War. Over 600 people attended. At the banquet, new and old members of the National Honor Society were honored, and athletic and department awards were presented. Because those responsible for the banquet made it such a tremendous success, it probably will be held annually in the future.

ORCHESTRA

Mr. Boltz

The orchestra played for the graduation exercises in January as well as June. They have a variety of other accomplishments too. A talent show during National Education Week, the Senior Class Play and the Variety show.

On April 10 the annual concert was held in which the band, orchestra and senior choir performed along with some special ensembles. The senior choir and girls glee club worked out some trios. The band presented a string quartet, a brass quartet and a saxophone sextet.

BAND

Mr. Schultz

Custer is proud to have the oldest Band Mothers Club in Wisconsin originally organized to help supply the band with uniforms. One of their money making projects is the candy sale. Every year around Christmas the band sells candy to raise money for their different projects.

The band played for many different activities during the year such as the P.T.S.A. concert, football games, a talent show during the National Education Week, Family Fun Fair, and also the Variety show. They also do marching in parades. On Memorial Day they march through Graceland Cemetery which they have done for many years.

A special part of the band is the color guard which performed at the football games and also in the opening ceremony before the basketball games.

The Music Service Club has been producing music of numerous kinds for talent shows and P.T.S.A. meetings as well as visiting other schools. Each year many of these talented music students attend the teen concerts held in the Milwaukee Auditorium.

FOOTBALL

This football season was the start of a new tradition by the defensive team. A newly organized group called the "Hatchetmen" was begun. In order to belong to this group, a boy must be on the defensive team and meet the needed qualifications. It is hoped that this team can inspire the boys of the defensive team to strive to be the best in the city. This years Hatchetmen led the city in defense more than half the season and finished off the rest near the top of the list.

Custer 0 — King 0

Friday, September 13, marked the opening of Custer's 1963 football season. Under the able leadership of Custer's new football coach, Richard Hinchcliffe, Custer's eleven dueled to a 0-0 battle with King's Generals. This was the first time in twelve years that Custer had not fallen at the hands of King. Thanks to Neil Hansen and blocking of the line, the Indians led in all statistics

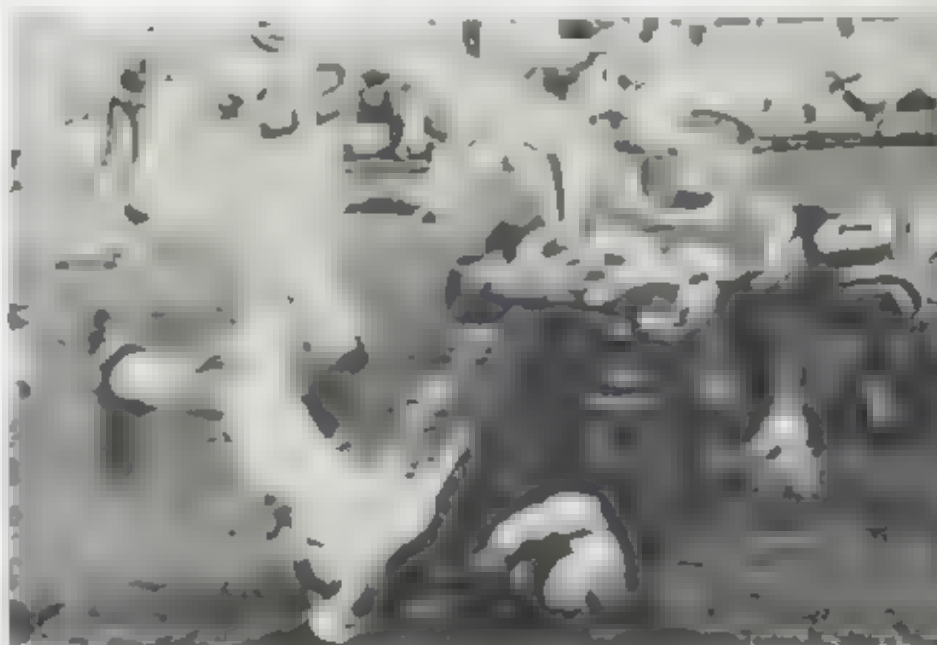

Custer 14 — South 0

Saturday, September 28, Custer put another feather in her victory war bonnet by scalping South 14-0. Custer's hatchetmen held South to 39 yards rushing while Custer's offense ran over the Cardinal's defense with a total of 319 yards rushing. With the fine hard hitting of Dennis Thurin, Bruce Williams, Greg Ramshak, Jim Chrisien, Len Quiring, Gregg Priess, Floyd Mosely, Pat Huckle, Jim Coutley and Dave Grossman, Custer's defense moved to first place in the city

Custer 19 — North 12

After coasting to a lead of 13-0 in the first quarter, with the sparkling fifty-three yard run by Marv Owens victory was inevitable for the Indians. North's two touchdowns came on one and two yard plunges during the closing minutes of the first half. The third quarter was marked by a pass play from Dick Schwert to Terry Wysocki for Custer's final touchdown

Custer 14 — Don Bosco 19

Custer suffered its first defeat at the hands of Don Bosco on October 5. Going into the second half, Don Bosco led 19-0, but Custer's offense suddenly came alive, scoring two quick touchdowns. Although Custer lost, it did not effect their city conference standings, seeing that this was a nonconference game

Custer 21 — Lincoln 25

This game proved to be a heartbreak to the mighty Custer Indians, who led throughout the game, excluding the last five minutes. Custer's hatchetmen did a wonderful job of containing Thurman Durrett, all city hopeful

Custer 20 — West 14

After a hard loss the week before, Custer bounced back and tied up West's Redmen 20-14.

Alert ball playing by end Terry Wysocki gave the Indians their first score when he picked up a West fumble and ran 13 yards for a TD.

Henry Ard scored on a 6 yard run and tossed a touchdown option pass to Gray.

Marv Owens caught a 36 yard touchdown pass from Neil Hansen and Floyd Mosely scored on a quick opener accounting for Custer's other scores.

Custer 19 — Tech 12

This game turned out to be a surprise upset and the Indians added another scalp to their belt. Dick Schwert proved to be the games hero by swiping the ball from a Tech halfback and ramming 4 yards for a Custer touchdown in the last 75 seconds of the game.

The game was very tight until the end with both sides playing very good ball. Custer, for the second time in three years, was a spoiler by knocking Tech out of any possibility of winning the city conference championship.

Custer 12 — Washington 19

Although Washington led 13-0 going into the second half, Custer made a comeback in the third period with 12 points. It didn't prove to be enough to offset the powerful Washington defense. The Purgoiders scored another touchdown to win 19-12, making two losses for the Indians.

Custer 6 — East 6

Custer ended the season the same way they began it, with a tie. Congratulations are in order for Coach Dick Hinchcliffe and his Indians for the best year Custer has had since it has been in the new building. Also congratulations to Coach George Henderson and his defensive team, the Hatchetmen. The total record for the season was 5 wins, 2 losses, and 2 ties.

The team and its captains, Gordy Saron and Jim Coutley, wish to express their thanks for the support of the school and the wonderful coaching they received during the whole season.

G. A. A.

Under the guidance of their advisors Miss Booth and Miss Barwind, this year's G. A. A. participated in a variety of activities. Among these were playdays, volleyball games, basketball games and tournaments. Probably the most remembered events of the year were the football game and the basketball game against the cheerleaders. In both these games the G. A. A. members showed their skills by winning. This year's officers were Carla Messman, Candy Glaesner, Joy Harris, and Bonnie Bush.

The Custer precisioned drill team, under the direction of Miss Steege, has added color and entertainment to many of Custer's functions.

At Custer's Home Coming on October 19, 1963, the drill team displayed their talents by forming a "C" for Custer with a heart on each side of it. This busy group has also performed at basketball games, a P.T.S.A. meeting, and pep rallies.

WATER BALLET

This year's Custer Water Ballet, the Niadas, presented their annual water show, which theme was "Antics in the Attic" on April 30, May 1 and May 2.

The club composed of twenty-four girls, chosen in September, introduced a different type of act. They featured synchronized stroking rather than stunts as in the past years.

The Niadas also performed in three shows for the Family Fun Fair on March 13. There was a duet in each show followed by demonstrations of various techniques and skills in the water.

This year's club swam under a new director, Miss Ost, and was aided by the club officers: Evelyn Grosch, President; Lynn Herms, Secretary; and Kathy Koerber, Treasurer.
